How the trip impacts on curriculum studies	The course is to support the children with their social and emotional development. Through challenge and adventure, it will provide the opportunity to address mindsets, relationships and attitudes to learning.

Trip Details

An opportunity has arisen for a number of students to attend a 3-day course at Outward bound Aberdovey centre in Snowdonia at a greatly reduced cost, due to the generosity of Outward bound charity and bursary fund.

Students will take part in a range of activities designed to develop team work and collaboration and will be accompanied by an Outward Bound instructor and a member of staff from school at all times. Duty teams also ensure they are safe at night.

The week would entail outdoor experiences of all kinds including water based activities, activities at heights and leadership tasks. Students need to be ready for a challenge but don't necessarily need to be experienced in outdoor activities.

Outward Bound are an internationally recognised organisation who are world leaders in offering young people courses in personal development. The best place to find out more is on www.outwardbound.org.uk

The cost of the trip will be £190.00, which will cover the cost of all incidentals to ensure the safe running of the trip most notably the course fee, accommodation, food and transport for the weekend course. We will be leaving at 10am on Friday 7th December and returning on Sunday 9th December early evening at approximately 6.30pm back to the school site.

If you would like to register interest for a place on this trip for your child, we welcome you to do so by paying a non-refundable deposit of £50.00 via Parent Pay. Payments will be accepted from Friday 16th March @ 3.00pm.
