

Be original

Knowledge Organiser year 10 Exam preparation OCR examination board

Take 12 photographs of your theme. Take some that are really close up

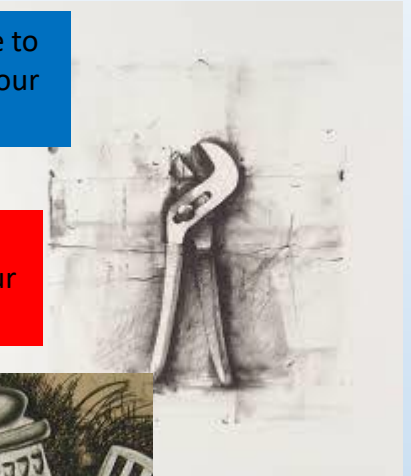

Produce two artist research sheets that relate to your theme with annotations. Be creative in your presentation Produce 2 studies of their work

Produce one A3 in detail

Compare the artists work. How is it going to relate to your work Show how it relates to your theme Show exceptional skill level.

Produce 100 words on why you are doing what you are doing

Work over photographs with pen or ink

Experiment with different media

Be creative

Be unique

Work with 2 or 3 different media

Work from observation in different medias

Plan a final piece that uses the best of your preparation work. Use one of your photographs in the style of one of your artists Do a mock up ready to trace out in the exam. Leave 15 minutes in the exam to do an evaluation

CHECK LIST OF WHAT IS REQUIRED

This is the minimum work you need

1. Two artist research sheets to include
 - 3 coloured/ black and white print outs of artist work including titles and dates
 - Information about the artist in your own words to include why they produced work, in what media, dates they were born /died.
 - Why you like the work and how it is going to influence your work.
- 2 Two artist studies A3/A4 in different media, including one in the media used by the artist if possible.
- 3 12 photographs of your theme. Glued down with annotations.
- 4 2 observed from your photographs, A3/A4 in different media.
- 5 2 copies of your photographs in the style of two of the artists.
- 6 If you complete all the work, add more artists studies and artist research sheets.

This is a course work project and you will do a 10 hour exam in October 2020.

Select one of the titles but we recommend you don't do Hot Weather. Start the list to the left

Resources

WATCH sky arts

Youtube visual artists

You need to know exactly what to do before you go into the exam
You need to draw out your piece and know what to do in the 10 hours. However we will have time to discuss this.

Contact for help and support. Take photos of your work and email to your art teacher. We will respond within 24/48 hours if we can. Please use the time to create some fantastic studies.
